Continuing on the strong revival of the traditions in North Fingal over the last decade the sea-side town of Skerries hosts another exciting week-end of music, song and dance on the 16-18th, May (Fri-Sun).

A full programme of recitals, concerts and workshops will take place at several venues in the town. Many of Ireland's leading traditional artists will both teach and perform to keep Skerries firmly on the traditional venue map.

Young and old are invited to actively participate or just relax and enjoy an evening 'session'.

The local community organising committee is very grateful to all contributors and sponsors particularly *Fingal County Council's Community, Culture and Sports Department* and local businesses.
