Introduction

Now in its 6th year, the Skerries Traditional Music Weekend has gone from strength-to-strength. Reflecting both the long-standing traditions of the North Fingal Community and also the vibrancy of more recent arrivals from the four corners of Ireland, the packed programme of events

provides a focus for expert tuition, concerts and recitals, swapping of tunes, lively evening sessions and 'craic'.

Once again, many of Ireland's leading exponents of traditional music and dance will both teach and perform in local Skerries venues. A high level of active participation is again anticipated – young and old, beginners and advanced – in a wide range of traditional activities.

This year sponsorship by Fingal County Council's Community, Culture and Sports Department and local businesses is augmented by The Arts Council and Music Network. The local community organising committee is very grateful for this vital support.
